Mrs. William King, who had been summoned by the prosecution, was not called

to testify for the government. The defense placed her on the stand as its first witness. She said: "I saw Mr. Baston come to her door, and heard her yell, 'Come back here! If you go up the street I can go up there, too.' She followed. "The woman remarked, 'I will kill you

you after a while," Baston said he told the wife, and when this answer did not Miss Edith Gould, sister of the bride, quiet her, he said, he left the house in order to avoid trouble
